Aluminium
Gates

Why choose our gates?

Extensive range of woodgrain finishes are available upon request. Highly realistic without the disadvantages of wood

Powder coated in a quali-coat marine grade finish, ensures there will never be an issue with fading or flaking

Each gate can be manufactured to your bespoke size to cater for every situation

Manufactured in Europe to the highest standards we guarantee our gates will be the perfect entrance to your home for years to come

Each gate is CE certified, meaning it has been tested to withstand critical aspects such as wind loading and operating forces. CE certification not only guarantees longevity, but also supports the environment by ensuring no hazardous substances are used in production

WHY ALUMINIUM?

- ✓ Low Maintenance
 - ✓ No Rusting
 - ✓ No Rotting
 - ✓ Strong
 - ✓ No Warping
 - ✓ Lightweight
- ✓ Corrosion resistant
